

REMETA 20 Fruit&Veg

The ideal solution for limited space

The REMETA refrigerated multideck display cabinet also offers a suitable solution for constrained spaces in its configuration with a front height of 20 and a height of H214. Your fruit and veg is showcased perfectly in combination with our various shelf systems.

- ⊕ The new intermediate height **H214** is the ideal compromise between **maximum space for goods** and **good ergonomics**. Merchandise density can be further increased thanks to the optional **front height 20 (195 mm)**.
- ⊕ The **SIGMA pods** ensure full and ordered facing and make your fresh produce area more attractive. The **HAUSER carrot holder** is an absolute highlight in every store.
- ⊕ The **innovative air curtain with triple air outlet (Eco-Motion³)** ensures maximum **temperature stability** and **ideal storage** of fresh products.
- ⊕ The free PVC well and the large interior components fulfill the requirements for **hygiene** and **easy cleaning**.

Freshness. Our focus.

HAUSER 

Your HAUSER solution for freshness

Transparent design, attractive goods display, energy-optimised refrigerated and deep-freezing cabinets and a comprehensive range of service have been guaranteeing freshness for almost seventy years: HAUSER is your reliable partner for refrigeration technology.

Founded in 1946 by Rudolf Hauser as a maintenance and installation service in Linz in Austria, the family-run business grows continuously. HAUSER manufactures its products using state-of-the-art methods at its two facilities located in Austria and the Czech Republic. Worldwide, 700 employees strive each day to provide you with individual solutions for freshness.

Everything from a single source

Planning, production and delivery of turnkey refrigeration units – HAUSER provides safety, reliability and service during the entire product life cycle. The top-quality products are tailored to fulfill your individual needs. The professional project management minimises your energy consumption and thus helps preserve the environment.

Broad spectrum of services

Our product portfolio includes refrigerated and deep-freezing cabinets, refrigeration technology and controls, cold-storage rooms and warehouses, and also a broad spectrum of services with 24-hour assistance and online temperature control. HAUSER guarantees optimal support around the clock with installation and service technicians close to your location.

Design, quality and energy efficiency

The team at our modern development laboratory is constantly working on innovations in the areas of goods display, transparency, ergonomics, function and
