

VINIA 90

For ultra-fresh convenience in a compact design

Do you sell ready-to-eat products such as sandwiches or salads but only have limited space or narrow gondola cabinets? The compact version of the **VINIA convenience refrigerated island** provides the **ideal display space** to showcase your fresh goods.

- + The **easy accessibility from all sides** boosts spontaneous purchases – particularly when the products displayed are on offer.
- + The **compact dimensions** make it suitable for a gondola-arrangement at the end of shallow shelving and in space-constrained areas.
- + The **optimised glass elements** have been designed without frame profiles in order to maximise **transparency**.
- + The **body can be customised** with various decors and materials. **Optional accessories** increase the visual appeal of **VINIA**.
- + The **environmentally-friendly refrigeration technology with R290** (propane) ensures future-proof operation.

Freshness. Our focus.

HAUSER

Your HAUSER solution for freshness

Transparent design, attractive goods display, energy-optimised refrigerated and deep-freezing cabinets and a comprehensive range of service have been guaranteeing freshness for almost seventy years: HAUSER is your reliable partner for refrigeration technology.

Founded in 1946 by Rudolf Hauser as a maintenance and installation service in Linz in Austria, the family-run business grows continuously. HAUSER manufactures its products using state-of-the-art methods at its two facilities located in Austria and the Czech Republic. Worldwide, 700 employees strive each day to provide you with individual solutions for freshness.

Everything from a single source

Planning, production and delivery of turnkey refrigeration units – HAUSER provides safety, reliability and service during the entire product life cycle. The top-quality products are tailored to fulfill your individual needs. The professional project management minimises your energy consumption and thus helps preserve the environment.

Broad spectrum of services

Our product portfolio includes refrigerated and deep-freezing cabinets, refrigeration technology and controls, cold-storage rooms and warehouses, and also a broad spectrum of services with 24-hour assistance and online temperature control. HAUSER guarantees optimal support around the clock with installation and service technicians close to your location.

Design, quality and energy efficiency

The team at our modern development laboratory is constantly working on innovations in the areas of goods display, transparency, ergonomics, function and
