

RENIMA GRN-MK

Versatile programme for individual fresh goods presentation

With wide range of variants, **RENIMA** enables a goods display for the centre space or the wall to suit your needs. Excellent transparency and maximum temperature stability guarantee ideal staging of your convenience range.

- + **The thermo glass side panels** with narrow spacers and unobtrusive masking allow the greatest possible visibility of the goods with the best energy values.
- + **Many customisation options** thanks to the front decor, top cover and panels in various colours and materials.
- + The **step shaped structure with top and shelf illumination** perfectly shifts the focus of attention to your products.
- + The **large bending radius of the glass slides** and their very narrow spacers allow an unobstructed and undistorted view of the entire product range, even from greater distances.

Freshness. Our focus.

HAUSER

Your HAUSER solution for freshness

Transparent design, attractive goods display, energy-optimised refrigerated and deep-freezing cabinets and a comprehensive range of service have been guaranteeing freshness for almost seventy years: HAUSER is your reliable partner for refrigeration technology.

Founded in 1946 by Rudolf Hauser as a maintenance and installation service in Linz in Austria, the family-run business grows continuously. HAUSER manufactures its products using state-of-the-art methods at its two facilities located in Austria and the Czech Republic. Worldwide, 700 employees strive each day to provide you with individual solutions for freshness.

Everything from a single source

Planning, production and delivery of turnkey refrigeration units – HAUSER provides safety, reliability and service during the entire product life cycle. The top-quality products are tailored to fulfill your individual needs. The professional project management minimises your energy consumption and thus helps preserve the environment.

Broad spectrum of services

Our product portfolio includes refrigerated and deep-freezing cabinets, refrigeration technology and controls, cold-storage rooms and warehouses, and also a broad spectrum of services with 24-hour assistance and online temperature control. HAUSER guarantees optimal support around the clock with installation and service technicians close to your location.

Design, quality and energy efficiency

The team at our modern development laboratory is constantly working on innovations in the areas of goods display, transparency, ergonomics, function and
