

REMETA

The most versatile of its class

The unique form of the refrigerated multideck display cabinet **REMETA** draws everyone's attention to your fresh products. It can be adapted to perfectly suit your store concept and underline its high-quality feel thanks to its modular design.

- ⊕ **4 heights - 4 depths - 4 lengths:** This concept allows **REMETA** to perfectly adapt to any store. A wide range of accessories and the optional integration of wood decors make it even more versatile.
- ⊕ The **innovative air curtain** with triple air outlet (EcoMotion³) ensures maximum temperature stability and ideal storage of your fresh products.
- ⊕ The large glass side walls and hinged glass doors with transparent spacers provide **maximum visibility of goods** without impairing the **great energy performance** of the refrigerated display cabinets.
- ⊕ The free PVC well and the large interior components fulfill the requirements for hygiene and **easy cleaning**.

Freshness. Our focus.

HAUSER 

Your HAUSER solution for freshness

Transparent design, attractive goods display, energy-optimised refrigerated and deep-freezing cabinets and a comprehensive range of service have been guaranteeing freshness for almost seventy years: HAUSER is your reliable partner for refrigeration technology.

Founded in 1946 by Rudolf Hauser as a maintenance and installation service in Linz in Austria, the family-run business grows continuously. HAUSER manufactures its products using state-of-the-art methods at its two facilities located in Austria and the Czech Republic. Worldwide, 700 employees strive each day to provide you with individual solutions for freshness.

Everything from a single source

Planning, production and delivery of turnkey refrigeration units – HAUSER provides safety, reliability and service during the entire product life cycle. The top-quality products are tailored to fulfill your individual needs. The professional project management minimises your energy consumption and thus helps preserve the environment.

Broad spectrum of services

Our product portfolio includes refrigerated and deep-freezing cabinets, refrigeration technology and controls, cold-storage rooms and warehouses, and also a broad spectrum of services with 24-hour assistance and online temperature control. HAUSER guarantees optimal support around the clock with installation and service technicians close to your location.

Design, quality and energy efficiency

The team at our modern development laboratory is constantly working on innovations in the areas of goods display, transparency, ergonomics, function and
