

# MIRENGO RMG

## Maximum energy efficiency

The top product among deep-freezing cabinets thanks to sophisticated air circulation, non-active premium glass doors and high-performance energy-saving fans.

The **MIRENGO** deep-freezing cabinet brings together sustainable energy usage with an appealing goods display.

- + With its wide range of models, **MIRENGO** offers the ideal solution for today's range of low temperature requirements.
- + **Wood decors** create a pleasant atmosphere, increase the time spent in the deep-freeze department and **underline the cabinet's sustainable approach**.
- + The **versatile baskets** guarantee that the goods display always appears full to promote sales. They facilitate loading for personnel and are therefore time-saving.
- + Frameless, **energy-free premium glass doors** and panoramic side walls ensure a continuous product presentation with **maximum visibility of goods** when installed in a gondola-arrangement with a shop-around end.
- + Energy-efficient and **long-life LEDs** emit very little heat and enable an optimal presentation of the goods.
