

# VINIA 120

## For ultra-fresh convenience

Do you sell ready-to-eat products such as sandwiches or salads? The **VINIA convenience refrigerated island** provides the ideal display space to showcase your fresh goods.

- + The **easy accessibility from all sides** boosts spontaneous purchases – particularly when the products displayed are on offer.
- + Because the design of the middle section can be adapted to meet specific requirements, it can be used to present related **refrigerated and non-refrigerated products** (e.g. salads, dressings and cutlery sets).
- + The **optimised glass elements** have been designed with very few frame profiles in order to maximise **transparency**. LED illumination ensures full visibility of the goods and cabinet.
- + The **body can be customised** using various decors and materials. **Optional accessories** increase the visual appeal of **VINIA**.
- + The **environmentally-friendly refrigeration technology with R290** (propane) ensures future-proof operation.

*Freshness. Our focus.*

**HAUSER**

# Your HAUSER solution for freshness

Transparent design, attractive goods display, energy-optimised refrigerated and deep-freezing cabinets and a comprehensive range of service have been guaranteeing freshness for almost seventy years: HAUSER is your reliable partner for refrigeration technology.

Founded in 1946 by Rudolf Hauser as a maintenance and installation service in Linz in Austria, the family-run business grows continuously. HAUSER manufactures its products using state-of-the-art methods at its two facilities located in Austria and the Czech Republic. Worldwide, 700 employees strive each day to provide you with individual solutions for freshness.

## Everything from a single source

Planning, production and delivery of turnkey refrigeration units – HAUSER provides safety, reliability and service during the entire product life cycle. The top-quality products are tailored to fulfill your individual needs. The professional project management minimises your energy consumption and thus helps preserve the environment.

## Broad spectrum of services

Our product portfolio includes refrigerated and deep-freezing cabinets, refrigeration technology and controls, cold-storage rooms and warehouses, and also a broad spectrum of services with 24-hour assistance and online temperature control. HAUSER guarantees optimal support around the clock with installation and service technicians close to your location.

## Design, quality and energy efficiency

The team at our modern development laboratory is constantly working on innovations in the areas of goods display, transparency, ergonomics, function and
