

RENIMA RN SM2.0

Ideal solution for convenience range for breakfast, dinner or lunch on the go

Its half-height and narrow design with transparent components makes RENIMA a space-saving miracle for centre aisle installation and ensures a good overview of the store and visibility of goods for your customers.

- + **Glass doors** with transparent spacers and narrow screen printing allow for the **greatest possible visibility of the goods** with the best energy values.
- + The **combination of the low temperature and medium temperature areas** with perfectly matched product illumination enables cross-selling of deep-frozen and refrigerated goods as combined offerings.
- + The efficient installation of the refrigerating equipment in the cabinet well enables a **large base deck depth with a low presentation depth** and a front height of only 295 mm.
- + Moving the top **forward top** allows for **greater merchandise density**, especially on the upper shelves, and boosts your turnover.

Freshness. Our focus.

HAUSER 

Your HAUSER solution for freshness

Transparent design, attractive goods display, energy-optimised refrigerated and deep-freezing cabinets and a comprehensive range of service have been guaranteeing freshness for almost seventy years: HAUSER is your reliable partner for refrigeration technology.

Founded in 1946 by Rudolf Hauser as a maintenance and installation service in Linz in Austria, the family-run business grows continuously. HAUSER manufactures its products using state-of-the-art methods at its two facilities located in Austria and the Czech Republic. Worldwide, 700 employees strive each day to provide you with individual solutions for freshness.

Everything from a single source

Planning, production and delivery of turnkey refrigeration units – HAUSER provides safety, reliability and service during the entire product life cycle. The top-quality products are tailored to fulfill your individual needs. The professional project management minimises your energy consumption and thus helps preserve the environment.

Broad spectrum of services

Our product portfolio includes refrigerated and deep-freezing cabinets, refrigeration technology and controls, cold-storage rooms and warehouses, and also a broad spectrum of services with 24-hour assistance and online temperature control. HAUSER guarantees optimal support around the clock with installation and service technicians close to your location.

Design, quality and energy efficiency

The team at our modern development laboratory is constantly working on innovations in the areas of goods display, transparency, ergonomics, function and
