

# MIRENDO RMI CA290

## Unique spaciousness

The **MIRENDO** deep-freezing cabinet combines the benefits of deep-freeze concepts with its unmistakable body and elegant design. It is also an ideal and sustainable retrofit solution thanks to the innovative Connect Air Propane system with drainage management.

- ⊕ The **MIRENDO** deep-freeze cabinet combines vertical and horizontal product presentation with optimum spaciousness.
- ⊕ The environmentally-friendly Connect Air system provides **maximum flexibility** as it does not require any refrigerant or glycol lines. Thanks to its integrated drainage solution, you can easily change the position of the deep-freeze cabinet at any time without any construction measures.
- ⊕ **Wood decors** create a pleasant atmosphere, increase the time spent in the deep-freeze department and underline the cabinet's sustainable approach.
- ⊕ The half-height doors in the headboard minimize the loss of cold when they are opened and therefore **reduce energy consumption by up to 20 percent**.
- ⊕ Frameless, energy-free premium glass doors and fixed glass ensure a continuous product presentation with **maximum visibility of goods**.

*Freshness. Our focus.*

**HAUSER** 

# Your HAUSER solution for freshness

Transparent design, attractive goods display, energy-optimised refrigerated and deep-freezing cabinets and a comprehensive range of service have been guaranteeing freshness for almost seventy years: HAUSER is your reliable partner for refrigeration technology.

Founded in 1946 by Rudolf Hauser as a maintenance and installation service in Linz in Austria, the family-run business grows continuously. HAUSER manufactures its products using state-of-the-art methods at its two facilities located in Austria and the Czech Republic. Worldwide, 700 employees strive each day to provide you with individual solutions for freshness.

## Everything from a single source

Planning, production and delivery of turnkey refrigeration units – HAUSER provides safety, reliability and service during the entire product life cycle. The top-quality products are tailored to fulfill your individual needs. The professional project management minimises your energy consumption and thus helps preserve the environment.

## Broad spectrum of services

Our product portfolio includes refrigerated and deep-freezing cabinets, refrigeration technology and controls, cold-storage rooms and warehouses, and also a broad spectrum of services with 24-hour assistance and online temperature control. HAUSER guarantees optimal support around the clock with installation and service technicians close to your location.

## Design, quality and energy efficiency

The team at our modern development laboratory is constantly working on innovations in the areas of goods display, transparency, ergonomics, function and
