

# VITHEA

Design | Accessories | Fish | Transformer

## Design, functionality and ergonomics at a high level.

VITHEA combines design and performance to meet the strictest requirements. Its innovative **two-zone refrigeration** and large selection of modules, functions, colours, shapes and materials allows you to achieve an **individual, high-quality delicatessen area.**

- ⊕ The high flexibility of VITHEA gives you the freedom to **adapt it to existing store design concepts** in terms of colours and material design.
- ⊕ The **new fish module** offers additional possibilities in terms of product range and guarantees optimum **freshness thanks to its adjustable air recirculation system.**
- ⊕ The **tool-free conversion from serve-over to self-service counter** gives you maximum flexibility of use.
- ⊕ The **innovative structure with glass** supports guarantees **high transparency and good visibility** of goods.

*Freshness. Our focus.*

**HAUSER** 

# Your HAUSER solution for freshness

Transparent design, attractive goods display, energy-optimised refrigerated and deep-freezing cabinets and a comprehensive range of service have been guaranteeing freshness for almost seventy years: HAUSER is your reliable partner for refrigeration technology.

Founded in 1946 by Rudolf Hauser as a maintenance and installation service in Linz in Austria, the family-run business grows continuously. HAUSER manufactures its products using state-of-the-art methods at its two facilities located in Austria and the Czech Republic. Worldwide, 700 employees strive each day to provide you with individual solutions for freshness.

## Everything from a single source

Planning, production and delivery of turnkey refrigeration units – HAUSER provides safety, reliability and service during the entire product life cycle. The top-quality products are tailored to fulfill your individual needs. The professional project management minimises your energy consumption and thus helps preserve the environment.

## Broad spectrum of services

Our product portfolio includes refrigerated and deep-freezing cabinets, refrigeration technology and controls, cold-storage rooms and warehouses, and also a broad spectrum of services with 24-hour assistance and online temperature control. HAUSER guarantees optimal support around the clock with installation and service technicians close to your location.

## Design, quality and energy efficiency

The team at our modern development laboratory is constantly working on innovations in the areas of goods display, transparency, ergonomics, function and

The top-quality products from HAUSER are tailored to fulfill your individual needs.

technology. HAUSER ensures top-quality materials and processing by constant advancements and improvements in our products and technologies.
