

# VITHEA

## One cabinet for all seasons

The VITHEA combines design and performance to meet the strictest requirements. Its innovative two-zone refrigeration and a large selection of modules, functions, colours, shapes and materials help you achieve your individual, high quality delicatessen area.

- + **Tool-free conversion** from a serve-over counter to self-service counter give you maximum flexibility of use in store.
- + A fully function basic cabinet with great energy performance and temperature stability is the starting point for **individual customer needs**.
- + Thanks to **HAUSER's unique two-zone refrigeration**, the VITHEA is one of the most innovative counters on the market. This enables an improved, more intensive and above all fresher product presentation.
- + Design your counter look to match your store facing and choose from a wide range of colours and shapes.

*Freshness. Our focus.*

**HAUSER**

# Your HAUSER solution for freshness

Transparent design, attractive goods display, energy-optimised refrigerated and deep-freezing cabinets and a comprehensive range of service have been guaranteeing freshness for almost seventy years: HAUSER is your reliable partner for refrigeration technology.

Founded in 1946 by Rudolf Hauser as a maintenance and installation service in Linz in Austria, the family-run business grows continuously. HAUSER manufactures its products using state-of-the-art methods at its two facilities located in Austria and the Czech Republic. Worldwide, 700 employees strive each day to provide you with individual solutions for freshness.

## Everything from a single source

Planning, production and delivery of turnkey refrigeration units – HAUSER provides safety, reliability and service during the entire product life cycle. The top-quality products are tailored to fulfill your individual needs. The professional project management minimises your energy consumption and thus helps preserve the environment.

## Broad spectrum of services

Our product portfolio includes refrigerated and deep-freezing cabinets, refrigeration technology and controls, cold-storage rooms and warehouses, and also a broad spectrum of services with 24-hour assistance and online temperature control. HAUSER guarantees optimal support around the clock with installation and service technicians close to your location.

## Design, quality and energy efficiency

The team at our modern development laboratory is constantly working on innovations in the areas of goods display, transparency, ergonomics, function and
